

# Shop with *Scrip*

## The *Scrip* Program is back!

### **What is *Scrip*?**

“*Scrip*” is simply another name for “Gift Cards”. If you have ever used a gift card, then you’ve used *Scrip*. It is an easy way to help raise funds for St. Patrick School without spending any additional money.

You simply buy gift cards (*Scrip*) from St. Patrick School, for the stores at which you normally shop and receive the full value in return.

### **How is *Scrip* used?**

Just like cash. This means that you use the gift card (*Scrip*) for payment at the register just as you would cash.

### **Do *Scrip* purchases count towards my fundraising commitment?**

Yes, a percentage of all *Scrip* you purchase from St. Patrick School counts towards your annual fundraising commitment. The percentage depends on the gift card ordered.

### **How do I order *Scrip*?**

Review the list of participating stores

Complete the order form and attach payment for the total amount ordered

Bring the completed order to school office and pick up your *Scrip* order

#### **OR**

Return order with payment in the Wednesday Communication Envelope and the *Scrip* will be sent home with your student.

### **Are these the only *Scrip* stores available?**

No, these are the stores presently in stock. An extended list will be made available to you in the near future for special orders.

#### **List of stores in stock.**
