

Corporate Matching Gift List

MATCHING GIFTS continue to be a vitally important source of funds for educational institutions. Below is a list of companies who provide their employees an opportunity to direct monies to charitable educational institutions. The listed companies provided programs for any level of education. For further information regarding the programs offered within a specific company please check with the human resources department. This list is not comprehensive, it is made up of companies known to support elementary parochial schools. If your company is not listed check with your human resources department to determine if a program exists, or contact us at school.

* The asterisk denotes companies who provide their subsidiary companies the same MATCHING GIFT opportunities.
