

Saint Patrick School

February 8, 2018

Dear St. Patrick School Supporter:

St. Patrick School is an elementary and middle school located in the heart of San Jose and two blocks from City Hall. We have been in existence for 92 years with a mission to provide educational opportunities to the underserved youth living in our community. On April 27, 2018 we will be hosting our annual **International Day and Auction/Raffle**. Proceeds will be used to fund academic and extracurricular student programs.

I would like to encourage you to consider making a contribution to help make our event a success. It is a win-win for everyone. Merchants and business get exposure, those who attend discover new places to patronize, and St. Patrick School raises funds to continue to be able to offer our students the best Catholic school education possible. There are two ways you can contribute:

- Donation of products or services for the Silent Auction/Raffle
- Underwriting Sponsorships: A gift of \$100 or more to help defray expenses associated with the event

Donors and sponsors receive a great deal of brand awareness within our local community and surrounding areas. All donors and donations are highlighted in the event program, which is distributed to over 250 families and supporters, as well as acknowledged on our website and Facebook page. Donations will be on display in the week prior and on International Day.

Donations may either be sent to the following address or picked up at your convenience by one of our parent volunteers:

Your continued support and generosity are greatly appreciated.
