June 11, 2015

Dear Parents:

The Diocese of San Jose is requiring all our volunteers to be fingerprinted and to take the Safe Environment Online training for the protection of the children and vulnerable adults. Since we expect ***all parents to do volunteer hours***, we are asking you to do the following to be able to volunteer at St. Patrick School:

1. All adults (over 18 yrs old) who have access to children need to be fingerprinted. You will need to provide a current government issued ID – driver's license, CA ID card or passport. The cost per volunteer is \$20. Please call Verify Group at 408-761-2156 to make an appointment.
2. Take the Online Safe Environment training – after taking the training, print out the certificate at the end of the training and bring it to the school office. [www.shieldthevulnerable.org](http://www.shieldthevulnerable.org) This training is available in English and Spanish.

If you have any questions, please do not hesitate to call.

Sincerely,

Martha Angeles  
Administrative Assistant
