

KINDERGARTEN SUMMER READING LIST

Summer reading is important!! Research has shown that children who do not read over the summer can "lose" 1 to 3 reading levels. We have only gained 3 this year so you can see how important it is to keep up with the reading practice!

The following is a list of authors and some books that would be appropriate for your child's summer reading. Some are favorites from class (marked with an *) and others are new to the children. Some your child will be able to read alone and others you will need to either read to them or help them read. Have your child fill out the book log and turn it in to Mrs. Arya in the fall. Also attached are some "book report" forms. Have your child pick a book from the summer reading list and help him/her complete the forms after reading the book. Please turn them in to Mrs. Arya in the fall.

Have a Great Summer!
